

Anti-doping statement

The Leiden University Sports Centre is against doping. Doping poses serious health risks. We believe that you can achieve your personal goals very well without doping, by using will power, perseverance and faith in your own possibilities. For more information visit the website of the Doping Authority: www.eigenkracht.nl.

True Winners perform 100% Dope Free. Are you a True Winner? Sign the 100% dope free statement: www.dopefree.nl

The anti-doping statement is supported and shared by the University sport centers of:
